DO YOU BELIEVE IN GOD?

If the statistics can be believed, more than ninety out of every one hundred Americans believes in God or some higher power. When asked, most folks are quick to acknowledge faith in a Supreme Being. But, the life they live frequently betrays the faith they profess. Folks often talk a much better religion than they live. The apostle Paul described his situation in his second letter to the young preacher, Timothy. In it he condemned those who have a "form of godliness," but deny its power (2 Timothy 3:5). The **AMPLIFIED BIBLE** does a good job of conveying Paul's meaning. It reads, *"For (although) they hold a form of piety (true religion), they deny and reject and are strangers to the power of it---their conduct belies the genuineness of their profession."*

There is more than one kind of atheist in our world. Sure, there are folks who deny the existence of God and belittle those who believe, but they do little harm to the cause of Christ. The real damage is done by those who claim to believe, but live like unbelievers.

The Bible makes specific demands upon those who follow Christ. We must *"follow after peace and holiness, without which no man shall see the Lord"*

CONTINUED FROM PAGE ONE

(Hebrews 12:14). Paul challenged Christians to be different from the world (2 Corinthians 6:17), and urged them not to conform to the world’s standards (Romans 12:2). Everyone who follows Christ must depart from iniquity (2 Timothy 2:19). We cannot live like the devil and still be a child of God!

Do you believe in God? We will never win the world for Christ if our preaching is contradicted by our living.
